*Faxnr: 0703484848*

*Cc: undisclosed e-mails to civil servants M.o.F.A.*

*Subject: Repeated diplomatic Incident involving the sovereignty of the state of Wonderland through unlawful actions of the Police forces of the Gemeinde Emlichheim and gemeente Coevorden.*

*Dear Mr. Koenders,*

*Although we didn't receive any response of you or your Ministry about the reported diplomatic incident, 18-11-2015 by fax, we sadly have to report the brute force of German and Dutch police , today deporting our mobile housing out of Wonderland.*

*According to the Treaty of Diplomatic Traffic (Vienna 1961) is your Ministry our intercessor, but to be safe and regarding our experience that your Ministry didn't response at all at our Invitation for Diplomatic Relationship or our Report Diplomatic Incident, we report this repeated incident also right away by e-mail to some known civil servants at your Ministry.*

*We hope to hear soon of you this time. Not because of some Treaty or human rights, but just from decency.*

*Our phone is available 24/7.*

*In the name of the Government of Wonderland, sincerely,*
